CAMPAIGN FOR PEDIATRIC EMERGENCY DEPARTMENT EXPANSION AND RENOVATION

NAMED GIVING OPPORTUNITIES

The new pediatric emergency department will offer a number of opportunities for generous supporters to name rooms and spaces. Since success often happens in numbers, please keep in mind that this may be an opportunity for family members, groups of friends, companies and organizations to come together and make a philanthropic gift collectively. Please contact Upstate Foundation at 315-464-4416 for availability.
