

We've been running this event for almost ten years and would love to give new people a chance to join in for this great day on the ice.

FOUNDATION

SPECIAL EVENT

Upstate Charity Curling Fundraiser

Saturday, November 7

LOCATION: UTICAL CURLING CLUB

BENEFICIARY: JOSLIN DIABETES CENTER AT UPSTATE MEDICAL UNIVERSITY

COST: \$65 PER PERSON

This one-day event is open to you to try out the great sport of curling and to raise a little money for our very own Joslin Center at The Nappi Center. Don't worry if you've never done it before, most people haven't so many of you will be at the same skill level. We try and match up teams up with others at the same experience level. By the end of the day, you'll be playing the same curling you see on the TV at the Olympics and you'll likely be the best curler of everyone you know.

Teams are of 4 players and are usually co-ed. We've had players as young as 17 and up to 74 years old. You do not have to be super athletic, just have a willingness to try! Have a full team that would like to play, that's great! Have two teams of 4, we can match you up together for the day. This event is not a play-down to a single champion, so it remains low-key and a lot of fun. You'll share a sheet of ice with your opponent for the day. Just have a pair of you that wants to play? Let us know and we can often build teams.

The cost includes all your equipment, a coach for the day, an hour and a half of instruction, a 2-hour game, a bit of swag to commemorate the day, and memories to last a lifetime. Lunch is potluck. It saves a bit of money and gets us a bit more for our charity. The bar is open for the day, and you can enjoy the beverage of your choice (even on the ice!)

For information

Interested? We hope so! Have more questions, want more details, or want to sign up, please let us know ASAP!
