

About the Event

The cities of Kingston and Syracuse are naturally connected - in proximity and through shared economic advantages and interests. Kingston, Syracuse, and their surrounding regions are home to world-class academic, research institutions, and innovative ecosystems. This is the second annual Kingston KSP event and will continue to focus on the health care and life sciences sectors. This full-day event will include Networking, Keynote Speakers, Panel Discussions, and a cross border Pitch Competition.

Why Sponsor?

Be a part of the strategic partnership that reaches across borders improving innovation, research, collaboration, and improving care to:

- *Expand your industry knowledge*
- *Access researchers, physicians, and business leaders*
- *Support the collaborative cross-border ecosystem*

Why Attend?

Learn about game-changing trends, share new ways to improve healthcare & network with Ontario & NYS Leaders
